

# Lean Six Sigma Training

Accredited courses

Learn the theory and practical application of how to apply Lean Six Sigma tools and techniques to your organisation to deliver quantifiable business improvements.

## WHAT CAN YOU EXPECT?

Our Lean Six Sigma Training is delivered through our public open training courses, or at premises of your choice globally for an in-house group programme tailored to you.

Our Lean Six Sigma training courses are:

- Lean Practitioner – a hands-on course run over 3 days
- Yellow Belt – an awareness-level course run over 2 days
- Green Belt – a practitioner-level course run over 5 days
- Green Belt to Black Belt – an advanced-level course run over 10 days for Green Belts upgrading to Black Belt
- Black Belt – an advanced level course for people who are engaged in solving complex problems

## VENUE

- Renault-Nissan UK headquarters in Rickmansworth within easy reach of the M25, Heathrow airport and central London
- At our training facility in Watford.

## WHO SHOULD ATTEND?

The course is open to anybody but typical participants are Manager-level or below and will be expecting to deliver improvements within the organisation for which they work through the successful contribution to or completion of projects.
