## TESTIMONIAL OF RECRUITMENT SERVICES

"Pegasus ERP Solutions has been instrumental in the development of Balfour Beatty's Oracle Applications e-business suite footprint and also project cycle. Pegasus has demonstrated continuous commitment to our Oracle ERP systems and am comfortable various other points of contact at Balfour feel exactly the same. My position can warrant circa 20 Oracle Applications e-business suite professionals have been provided. My relationship began 5 years ago when he actually placed me at the organisation. Balfour operates a very large and complex e-business suite footprint and the recruiting service has been a benchmark in my experience of recruiting Oracle professionals".

### Oracle Applications Manager

"Naseef is a very experienced Procurement Functional Lead. I found Naseef to be both knowledgeable in his field and very business focused. He was able to understand the business requirements and complexities of the organisation very quickly, and built a good report within the team and with our internal customers. I would recommend Pegasus and Naseef as a P2P Functional Process Lead for any Oracle Procurement implementation".
