Within each of our sub divisions are expert consultants who are specialists in their field.

Disciplines we cover

- Community Support Services
- Social Work - Adult Services
- Drug & Alcohol
- Housing Management
- Residential support services
- Senior Social Care Management
- Social Work - Children & Families
- Welfare
- Youth Work

“I have used TPP on the three occasions over the last two years. I have been really impressed with the quality of the applicants who applied from TPP and with the speed and efficiency of the service provided by the TPP staff. Recruitment is always a busy process and it makes a huge difference to me to have so much help with interview arrangements and any subsequent negotiations with applicants.”
