

INTERNATIONAL ALLIED HEALTH

LOOKING TO CONTINUE YOUR HEALTHCARE CAREER IN THE USA?

Landing your dream job in the USA could be a lot closer than you might think. The states' aging baby boomer generation means a greater need for healthcare is emerging across a broad range of specialisms.

Physiotherapists, occupational therapists and medical technicians are more in demand in the USA than ever, so there's never been a better time to head over to the land of opportunity to continue your career.

Think the USA is out of reach? Think again. This high demand means the process of obtaining a permanent residency visa for the USA can be a lot faster than you might think.

What are you waiting for?

Conexus partners with leading healthcare facilities throughout the USA to offer talented physiotherapists, occupational therapists and medical technicians the most sought-after positions on the market. Our team provides unrivaled support, from the moment you register

your details right up to your first day in your new role – and beyond.

You need to possess the mandatory qualifications for your area of specialism and Conexus will work with you to obtain the relevant licenses you need to work in a particular state.

We're well connected

We have close partnerships with over 90 hospitals in more than 20 US states, so your ideal role within a community that suits you – and your family – is just around the corner. Also, our strong relationships with lobbyists and immigration attorneys means we are well informed when it comes to the immigration process.

We only work with the best

All our clients invest a great deal of time, money and effort to ensure you're set up for long-term success in the USA. You can rest assured that both Conexus and your new place of work are dedicated to your career pathway.

WHY CHOOSE CONEXUS?

You will be rewarded

All of our roles provide a comprehensive and competitive benefits package. Conexus will:

- Pay for all of your work related insurances while on assignment
- Pay for your mobilization flights
- Pay for your accommodation for the first 30 days when you are on assignment
- Pay all of your visa and licensing costs
- Provide you with a \$1,000 deployment bonus check upon arrival (net of tax)
- Pay a referral bonus in return for referring a colleague or friend to Conexus
- Cover 60 percent of costs through our dental and medical program.
- Provide the option to contribute to a simple IRA personal pension plan where the company will provide 3% matching
- Reimbursement of medical examination
- Reimbursement of passed IELTS
- Payment upfront for Visa Screen or reimbursement if you already have this. Conexus will cover the cost of one visa screen payment
- Paid Time Off (PTO).

Securing your US visa

We will take control of your visa application and let you know all the relevant documentation that needs to be provided and exams you must pass in order to get this processed. Remember, the high demand for allied health professionals in the USA coupled with our extensive experience in immigration means processing times may be a lot faster than you think.

Much more than a recruiter

We spend time in the communities where we place our candidates to make sure you're suitably matched to your new position and living environment. Then, our friendly team will spend time with you at your place of work and in the community. We'll even meet you at the airport and take you to get your first grocery shop.

You will join a community

The Conexus family is growing every day. We'll introduce you to other Conexus candidates working in your area as part of our popular buddy system. We also make sure you're connected to the wider Conexus network via our social media channels so you're never alone.

The future is bright

When you reach the end of your assignment, you may, like a lot of our allied health professionals, decide to stay working with that particular client a while longer. When you're ready to make the next career move, Conexus is on-hand to assist you every step of the way.
