On Wednesday 6th June guests will be taken to the Mansion House for a wonderful evening of drinks and dinner. The Mansion House has been the official residence of the Lord Mayor of Dublin since 1715. It has witnessed many historic events including the formation of the new Irish State and the signing of the Anglo-Irish Treaty.

It has welcomed many international leaders, sporting heroes, stars of stage and screen and music. It has also been a family home for 300 years and has celebrated normal family occasions. It has been the centre of Dublin life for 300 years and is much loved by Dubliners who have danced, celebrated sporting victories, completed exams and celebrated Christmas at the Live Animal Crib. You are invited to share this experience with a drinks reception and traditional Irish entertainment

followed by a three-course meal as well as a general knowledge quiz on everything Ireland.

On Thursday 7th June guests will experience a spectacular Masquerade ball at the Clayton Hotel to round off another successful World Employment Conference. You will be treated to a drinks reception followed by a delectable three-course meal before dancing the night away. Masks will be provided to keep up the allure of the evening and we have no doubt that this dinner will be one of the highlights of the last few days.

- 19.00 Guests arrive & drinks reception in the conference exhibiting area
- 19.30 Three-course meal
