

International Women's Day - celebrating women's contribution within the public and not for profit sector

We are privileged to work with some of the country's leading female influencers every single day. International Women's Day is a perfect opportunity to pause and celebrate the work of women within the public and not for profit sector, using their talents to shape a better society. Here is just a selection of senior women that GS has helped to appoint **over the last 12 months**:
