

## GDPR is here! Now the fun really starts...

Implementation day has passed and we've all survived. Hopefully your business was as ready as it could be and you're continuing to work towards compliance. If you need help, we're here.

If you need someone to speak to if or when:

- someone requests access to and/or deletion of their data;
- you receive a complaint (e.g. because of a marketing email you've sent, whether because you've contacted someone "out of the blue" or someone wants to know why you have their data in the first place!);
- it looks like someone might bring a claim directly against your business; or
- someone starts shouting about their "rights".

Please do call Paul Kirkpatrick (T: 0161 358 0183; E: [paulkirkpatrick@hrclaw.co.uk](mailto:paulkirkpatrick@hrclaw.co.uk)) or Graham Hansen (T: 0161 358 0552; E: [grahamhansen@hrclaw.co.uk](mailto:grahamhansen@hrclaw.co.uk)) at HRC Law LLP.

Don't panic. Instead remember three things:

1. Businesses have rights and requirements to process data too.
2. It is important to understand the legal basis for processing and to be clear in responses to individuals.
3. We can help you, just call us!
