# UTILITIES & INFRASTRUCTURE

For all staff we comply with governing body standards, all of our Contractors hold the relevant certificates and cards required to commence work, we also hold copies of all certificates electronically. This is to ensure that, should any of our clients require last-minute staff, we can email copies directly to you so the operatives are completely compliant, prior to their arrival on site. All staff are interviewed by us and reference checked accordingly

## Positions we recruit for:

- Reinstatement Teams
- Highways Operatives
- Street Lighting Electricians
- Traffic Signal Operatives
- Drivers (7.5T/HGV)
- CSCS Labourers
- Cable Jointers
- & many more!
