Such businesses should conduct their business activities in accordance with the standards expected of good industry practice and comply in all respects with all relevant statutes as required by their business activities, including for the avoidance of any doubt, the Employment Agencies Act (EA ACT), The Conduct of Employment Agencies and Employment Businesses Regulations, Working Time Regulations (WTR), The Agency Workers Regulations (AWR), The Gangmasters and Labour Abuse Authority (GLAA), The Modern Slavery Act and any amendments or similar statutes.

Such organisation or person must be in sympathy with the aims and objectives of TEAM. - 6.5 It is understood that an existing Member may expand their business by opening/acquiring a new location already occupied by an existing Member in a similar sector. In such circumstances, it is expected that common sense will prevail and such Members would meet and discuss how co-operation could mutually benefit both their businesses. TEAM would not seek to disbar either business from being able to operate or to it affect either parties' membership rights.

## 7. APPLICATIONS FOR MEMBERSHIP

Such suspension/termination will be immediately advised in writing to the relevant Member and at the discretion of the Directors to the membership as a whole.
- 9.4 The termination, suspension, expulsion or resignation of a Member may (at the discretion of the Directors) include all businesses under common ownership or control of the Member.

- 10.3 The total annual subscription payable by each Member firm, Partner, Affiliate or Service Provider is usually based on the number of those Members locations listed in the TEAM Directory. Any changes to a Member firm should be advised to TEAM HO as soon as possible.
- 10.4 The amount of annual subscription will be reviewed by the Directors, usually annually. Any change in quantum will be advised to a Member by giving at least six months' notice.
- 10.5 If membership ceases for any reason no repayment will be made for any part of the unexpired subscription term or for any other item the Member may have made a financial payment or commitment upon, except upon non-ratification in accordance with clause 7 or termination in accordance with clause 9, in which circumstances annual subscription will be refunded pro rata based on number of whole months of current paid up subscription year remaining.

## **11. SUBSCRIPTION UNPAID**

If a subscription remains unpaid (whether monthly or annually) after it becomes due, the Directors may declare the membership of the Member concerned to have lapsed without further notice. Such declaration will not affect the ex-Member's liability to pay the subscription due. Any Member having any concerns whatsoever about being unable to meet their membership obligations are advised to communicate with TEAM HO at the earliest opportunity.

## **12. TEAM WEBSITE**

Each Member and its locations will be listed on the TEAM website and provided with an authorised Membership number and password access which will provide Members with access to restricted areas and various TEAM services. Members' attention is also drawn to the Terms and Conditions and Privacy Policy available on the website. TEAM cannot be held responsible for any functional failure of the website howsoever caused.

12.1 Members should not use the TEAM Website or access its databases to promote vacancies for recruitment or employment positions, whether for its own purposes or of a client.

12.2 Contact information and information relating to the services/products offered by individual Member businesses are supplied by each Member and will be displayed on our website, newsletter, social media and related publications. Members are expected to provide such information in good faith and not to make misleading or false representations. Inclusion on the TEAM website may result in other Members and/or the public contacting that Member and that Member's continued membership and use of the website signifies its agreement and acceptance of this matter.

## **13. REGIONAL REPRESENTATION AND COMMITTEES**

13.1 The country will be divided into regions or divisions determined by the Directors. Regions or divisions may be varied from time to time as common sense dictates.

13.2 Each region and/or sector will be represented by a nominated RD/DD appointed by the Directors, usually for a period of one year but eligible for re-election. Appointments may be made by the Directors and/or determined by a vote held amongst relevant Members. RD/DDs shall usually be a principal or a senior employee of a Member firm.

13.3 RD/DDs will arrange for Members within their area or region to meet regularly to promote TEAM networking. Unless leave of absence has been agreed, it is expected that Members will attend at least two meetings in each calendar year. In cases of continued absence, the Directors may review continued membership.

13.4 RD/DDs will meet regularly as a committee (NEC) to discuss and recommend to the Directors any changes required to the management of the network.

13.5 Should there be vacancies for RD/DDs, the Directors may fill such vacancies by co-option.

13.6 Unless leave of absence has been agreed by the Directors, failure by a NEC Member to attend at least two meetings in any calendar year may require a review of the appointment to the NEC of the person concerned.

13.7 The Company may appoint committees at its discretion. Such committees may include sectors representing specialist types of agencies or employment businesses and will report to the Directors. The chairperson of the committee must ensure minutes of committee meetings are dispatched to TEAM HO within one calendar month.

## **14. TEAM Professional Standards Committee**

The TEAM Professional Standards Committee (TPSC) comprises experienced TEAM Members and external individuals who shall assist the Directors and TEAM Members in dealing with enquiries about the professional standards and/or activities of the industry as a whole, or specifically of a TEAM Member, whether from a member of the public, work-seeker, employer, a government department or another TEAM Member. The TPSC shall also endeavour to assist in the resolution of disputes between Members and of complaints by members of the public against a TEAM Member(s). It is understood that whilst any decision by TEAM regarding a complaint or dispute may have an impact on a Members continuing TEAM membership, any decision, conclusion or proposal will not on its own have any statutory or legal authority. If such an unfortunate impasse was reached, then the complainant and/or Member may have to resort to the relevant authorities based on their contractual relationship with each other.

## 14.1. Complaints against Members

All complaints should be directed in the first instance to TEAM HO who on receipt of a complaint from a member of the public, or a Member of TEAM in connection with the professional standards and/or activities of a TEAM Member, Service Provider or non-TEAM Member, will respond to the complainant within 14 days from receipt indicating how the complaint shall be dealt with as follows:

- 14.1.1 In the event that either both or one of the parties has already engaged with a third party adviser (legal or otherwise) then TEAM would only be prepared to continue to seek a resolution to the matter if the instructing party(ies) were prepared to suspend their engagement of any such third party advisers and confirm the same in writing. In the event this was not agreed then TEAM would have no option but to withdraw and leave the parties to resolve the matter by whatever means of redress may be available to them.
- 14.1.2 Assuming 1.1 is not the case, then, in the first instance, TEAM HO will encourage the complainant and the Member to resolve the matter directly between them in accordance with the Members' Complaints procedure.
- 14.1.3 If a satisfactory resolution cannot be achieved, then the complainant will be requested to provide full details of the complaint in writing including all relevant details and copy correspondence. Unless exceptional circumstances prevail, such complaints should not be more than 12 months old. Such information shall be forwarded to the relevant TEAM Member(s) for their written response. Where the complainant objects to the disclosure of their written complaint to the TEAM Member(s) involved, TEAM HO will decline to deal with the complaint and the complainant shall be informed that the matter is closed. On receipt of the complaint the TEAM Member(s) will be expected to provide a response in writing within 14 days. All the information provided will be forwarded to the TPSC who will consider the complaint.
- 14.1.4 If the TPSC by majority consider that there has been a breach of this Constitution and Code of Practice, TEAM shall communicate this to the complainant and the Member concerned and make recommendations, if appropriate, as to any means of redress. The TPSC shall also, where appropriate make recommendations to the Directors of TEAM as to any course of action or sanction that should be taken in respect of the TEAM Member concerned. The actions and/or sanctions the Directors may consider shall include a reprimand, suspension and/or expulsion from Membership.
- 14.1.5 If the complaint relates to the activities of a business or individual external to the jurisdiction of TEAM then TEAM HO will endeavour to counsel the complainant or direct them to a relevant authority, source of assistance and/or advice. Complaints considered to be external to the jurisdiction of TEAM shall include complaints against non-members, complaints amounting to a legal dispute regardless of whether proceedings are current, pending or contemplated or complaints relating to the personal affairs of the Member concerned.

## 14.2 Disputes between Members

- 14.2.1 In the first instance the Members should try to resolve the matter between them in a courteous and sensible manner in an attempt to arrive at a mutually satisfactory conclusion.
- 14.2.2 If no resolution is forthcoming then if both parties agree to allow TEAM to mediate, each party should provide TEAM MD with full written details of the dispute within 14 days. TEAM MD will forward the information from both parties to the TPSC who will attempt as a neutral third party to assist in settling the dispute and to reach agreement. If no agreement is reached as a result of the involvement of the TPSC or because one party will not engage in attempting resolution within 14 days, or as soon as possible, TEAM shall withdraw and leave the parties to resolve the matter by whatever means of redress may be available to them.
- 14.2.3 This process shall not be used where the subject of the dispute amounts to a complaint involving a breach of the TEAM Constitution and Code of Practice or where it relates to the activities of a non-member, is a legal dispute regardless of whether proceedings are current, pending, contemplated or a dispute relating to the personal affairs of the Member concerned.

**15. CHANGE OF PARTICULARS**

Members must notify TEAM HO immediately of any material change in ownership and/or control, as well as changes of name and/or address or type of business.

**16. USE OF FUNDS**

All fee subscriptions and other monies paid to the Company will be held by the Company and will be used as appropriate and at the discretion of the Directors to discharge its liabilities and for the objectives of the network as set out above.

**17. LIABILITY**

17.1 The Company, or RD/DDs or any committee chairperson will not be liable under any circumstances for any loss damage or expense suffered or incurred by Members arising from or in any way connected with their membership, suspension or expulsion from TEAM or any matters relating to networking/referrals/fee sharing of business or information amongst Members of TEAM. Notwithstanding, any claim made shall be limited to the amount of current annual subscription paid.

17.2 TEAM is not responsible in any way for the administration of Fee sharing between Members or for any non-payment of Fee shares between Members.

**18. SERVICE PROVIDERS (SP)**

18.1 From time to time TEAM, on behalf of its Members may agree special TEAM discounted terms from providers of services, products or supplies. Such providers, if approved by TEAM Directors, may be invited to join TEAM as an SP. These SPs will be liable to pay a registration fee and an annual Membership fee in advance (or as mutually agreed) and be bound by the TEAM Constitution and Code.

18.2 Once notified of the termination of a Member from TEAM, SPs are required to withdraw from that Member any agreed TEAM Member discounted services/supplies as soon as reasonably or contractually possible.

SPs will have similar access, as any Member, to the TEAM membership database and have the opportunity to contact Members and attend meetings as appropriate. Specific presentations of their products/services at TEAM meetings may be possible at the discretion of TEAM HO and the relevant RD/DD.

18.4 TEAM is not in a position to undertake a comprehensive detailed investigation or audit of the businesses, products or services provided by TEAM SPs, Members or Partners/Affiliates. They cannot and do not warrant or guarantee any product or service they may offer nor accept any liability or loss or damage arising from or occasioned by any transactional business between such parties and Members must satisfy themselves about any such business before entering into negotiations or contractual agreements.

18.5 Whilst TEAM will endeavour to provide as complete a range of SPs as possible, it is not a prerequisite of Membership to use their services or products.

**19. PARTNERS**

As appropriate, TEAM will seek to establish links with Partner businesses to assist in extending Members ability to network business opportunities and services. In many instances, TEAM will have arranged special dispensation and discounted membership fees for TEAM Members to join such Partner businesses. This facility will also be available to Partner Members wishing to join TEAM. Arrangements may change from time to time, so Members should seek further membership details from TEAM Head Office. Whilst Partners are linked to TEAM, their Members will not necessarily be bound by the TEAM Constitution and Code and Members should ensure that appropriate Terms are confirmed when entering into any networking arrangements.

## APPENDIX 1 CODE OF CO-OPERATION

### Definitions

- Main Agency - the agency or business inviting co-operation or referring business
- Associate Agency - the agency or business accepting the referral
- Agencies - the Main Agency and the Associate Agency or Associate Agencies

1. Agencies shall take reasonable commercial procedures to protect the security of information provided to each other, in particular any information relating to clients and job seekers in accordance with their GDPR policies. Model data sharing agreements available [here](#) and [here](#).

2. Unless varied by written mutual consent, Agencies shall conduct referrals in accordance with the rules set out in this Appendix.

### 3. Commitment by Main Agency

- 3.1 To provide written specification of client requirements, the type of co-operation sought and the terms of business prevailing. (See TEAM Co-operation Agreement, Appendix 2)
- 3.2 To update the Associate Agency regularly on status of referred client requirements.
- 3.3 To fairly assess all job seekers introduced by the Associate Agency and not to denigrate in any way the services provided by the Associate Agency.
- 3.4 To immediately reject to the Associate Agency any job seeker already registered with the Main Agency so as to avoid any subsequent confusion.
- 3.5 To advise the Associate Agency on timely basis when any share of Fees become due for invoicing and to ensure such shares are paid promptly in accordance with TEAM Code and/or any agreement between the respective parties.
- 3.6 In the event of termination of TEAM membership to remain responsible for payment of any outstanding shares due to the Associate Agency as they become due as per the agreement between the respective parties.

### 4. Commitment by Associate Agency

- 4.1 To make every reasonable endeavour within normal terms of business to ensure the suitability of job seekers supplied to the Main Agency.
- 4.2 To register all job seekers supplied to the Main Agency in accordance with current employment or other appropriate legislation.
- 4.3 To supply job seekers' CV on plain paper or by email.
- 4.4 To disclose the address and telephone number of job seekers (with job seeker approval) to the Main Agency for the purpose of direct contact if required.
- 4.5 Not to advertise vacancies referred by a Main Agency unless Main Agency has given written approval of any such advertisement prior to insertion.
- 4.6 Not to contact or seek business with any known client neither of the Main Agency whilst either Agency is a Member of TEAM nor for 6 months after termination of TEAM membership.
- 4.7 Not to subcontract any business received from the Main Agency to any other agency or business without written consent from the Main Agency.

(Also TEAM 15)

## 5. Fees

Unless agreed otherwise normally Fees will be agreed and calculated by the Main Agency in accordance with their terms and conditions of business. It is suggested, as good business practice, the Main Agency to provide a copy of the agreed terms to the Associate Agency. TEAM Code assumes an equal division of Fees between Agencies. However, there may be several reasons to share Fees differently. If so, the Agencies must agree and confirm in writing the division prior to co-operation taking place. In the absence of written confirmation, the division suggested in the TEAM Code should prevail. Should for any reason the amount or percentage fee alter after agreement has been reached then it is the responsibility of the Main Agent to immediately advise and confirm in writing and agree matters with the Associate Agent.

### 5.1 Placements

In the event of a successful placement of an Associate Agency job seeker, the Main Agency will reserve the agreed percentage of the total Fee (excluding TAX). The reserved share plus TAX (if applicable) will become due and payable to the Associate Agency usually once the Main Agency has been paid by the client the total Fee (or any lesser Fee agreed in full and final settlement) and any rebate period has elapsed or by other mutual agreement.

### 5.2 Temp to Perm

When an Associate Agency job seeker is engaged either direct by the client or through the employment business (and payroll) of the Main Agency, the Agencies will share the agreed Fee earned on the hourly charge rate and any placement Fee paid by the client. The share plus TAX (if applicable) of the total placement Fee will become due to the Associate Agency once the Main Agency has been paid by the client and any rebate period has elapsed. Payment due for the temporary introduction will be at the end of each 4-week period if margin on hourly charge rate or by other mutual agreement. All payment terms to be agreed in writing prior to supply.

### 5.3 Temps

When an Associate Agency job seeker is engaged through the employment business (and payroll) of the Main Agency, the Agencies will share the agreed margin earned on the hourly charge rate, payable as in 5.2.

## 6. Generally

6.1 Normally client contact will be by the Main Agency. The Main Agency will provide information to the Associate Agency. The Associate Agency will endeavour to provide an acceptable job seeker.

6.2 When referring business, the main Agency will often become the client of the Associate Agency even though there is an end user client business. In such circumstances, Members should ensure that appropriate Terms of Business are immediately exchanged and indemnities where appropriate are discussed and provided and all processes according to relevant statutes pertaining to the service are being observed.

6.3 The introduction of a job seeker/vacancy remains valid for commission sharing purposes for a period of 6 months from the date of introduction or in the case of a shared "temp" assignment, 6 months from the end of the assignment and will be valid for all engagements. Termination of TEAM membership does not invalidate this clause.

6.3.1 There may be circumstances where an initial introduction of a job seeker/vacancy leads to a secondary third party introduction being made by a job seeker/client, perhaps unbeknown to one of the Agencies. For example, an Associate Agency introduces a job seeker that is unsuccessful but the job seeker in turn mentions the vacancy to another party who is successful. A fee will have been generated for the Main Agency as a result of the original engagement and whilst such a situation will not have been anticipated at the outset, professionalism and TEAM "spirit" would suggest that an appropriate fee should still be shared.

6.4 Agencies should confirm in writing the terms of referrals to each other and are solely and individually responsible for the payment or collection of all Fees due to or from each other in respect of referrals.

6.5 Neither Agencies nor TEAM will be liable under any circumstances for any loss damage or expense suffered or incurred by any client or themselves resulting from co-operation under the TEAM Code.

6.6 Agency services may be subject to different local, state or country taxation and legislation (this will certainly be the case for co-operation between overseas Members). Members should seek additional guidance and confirmation prior to entering into any contractual obligations with Members of another country.
