animal health & nutrition

We are true specialist consultants operating in our Animal Health & Nutrition division, with a combined experience stemming over 15 years.

We specialise in the recruitment of management and executive level candidates - recruiting both on a national and international basis within the Poultry, Swine, Ruminant, Equine, Aquaculture, Pet and Agricultural markets.

We are able to offer you our specialist knowledge recruiting for you in the UK and in the

international market through bespoke headhunting campaigns or on a contingent approach

We recruit roles from technical/operations & commercial through to key support functions, ensuring our clients have access to the very best talent on the market.

Our candidates appreciate our consultative approach. We focus on how their next move will develop their career, gaining access to confidential roles.

## We specialise in the following areas;

<p><u>Poultry</u> Feeding &amp; Nutrition Animal Health Housing &amp; Equipment Breeding &amp; Genetics Incubation &amp; Hatching Biosecurity &amp; Hygiene</p>		<p><u>Ruminant</u> Feeding &amp; Nutrition Animal Health Housing &amp; Equipment Breeding &amp; Genetics Biosecurity &amp; Hygiene</p>
