**Clarity:**

**Top questions to  
ask yourself before  
you make your  
next move**

- 1** Does this new role come equipped with a salary and benefit package which will help address your current responsibilities?
- 2** What type of leadership style will help you thrive the most in the workplace?
- 3** Will this career move allow you to be your true self?
- 4** How do you define meaningful work and does this career move help you accomplish this?
