

Job Description Lingo

Every Candidate

Should Know

“Required”

These are non-negotiable qualifications required to succeed in the job.

“Manager or Coordinator”

It's easy to get sucked into a particular title but don't read too much into it as titles can range depending on the size of the company and not necessarily mean a certain status or hierarchy.

“Desired”

Qualifications which are nice to have but can be compensated by other relevant skills.

“Thrives in a collaborative environment, team player, possess interpersonal skills.”

These usually serve as a hint about the work culture or work environment. From here on, you can gauge whether you would fit in well.
